

## Introduction

The Church of England's safeguarding policy statement, *Promoting a Safer Church*, says:

*“All Church bodies should ensure that they have a ‘Promoting a Safer Church’ action plan in place that sets out, in line with national and local priorities, how the policy is being put into action and is reviewed regularly.”*

To help parishes prioritise their safeguarding work, a *Safeguarding Dashboard* can produce three levels of Action Plan:

- Level 1 - Safer foundations
- Level 2 - Safer foundations and activities
- Level 3 - Safer foundations, activities and practices

The Chaplaincy Council is asked to discuss and approve this Level 3 Action Plan.

A chaplaincy/congregation must have no overdue actions if they are to comply with all the mandatory safeguarding requirements of the Church of England.

## Overall Progress

**100% progress** has been made towards the mandatory requirements of the Church of England.

# Chaplaincy/congregation Activities

**By approving this Action Plan**, the Chaplaincy Council confirms that there are no church activities that involve teaching, training, instructing, caring for, supervising or transporting children (under 18) or vulnerable adults. Nor are there any other church activities that are organised primarily for children or vulnerable adults.

# Non-Chaplaincy/congregation Activities

**By approving this Action Plan**, the Chaplaincy Council confirms that there are no non-chaplaincy/congregation activities for children (under 18) or vulnerable adults that are held on church premises.

Any one-off events organised by private individuals (e.g. a child's birthday party) can be ignored.
